COMPUTER SCIENCE STUDENT AND DATA ENTHUSIAST

I'm a computer science undergraduate and a passionate web developer with knowledge of html,css3, javascript, ReactJs,php ,MySQL.Also along with being a web developer I have a great interest in data.Dedicated and hardworking student with passion to always learn new skills.

EXPERIENCE

Web Developer Intern

Oasis Infobyte

June'25 - July'25

Remote

- Developed three projects which helped to practice the skills as well as work on their betterment
- Used the logistic approach to create interactive and dynamic web content.

TECHNICAL SKILLS

Languages : C++, HTML, CSS, JavaScript, Java,Python

Frameworks : React.js

Databases : MySQL

Dev Tools : Visual Studio Code, Git.

EDUCATION

All India Shri Shivaji Memorial Society Institute of Information Technology,Pune

Pursuing Bachelor of Technology in Computer Engineering

Mahaveer English Medium School And Junior College,Pune

Junior College

PROJECTS

ATM Management System

Java, SWING, MYSQL

Build an ATM application using Java **Programming, Java Swing and MySQL.**

- Worked on Java swing and its components to add more accurate user experience **contributing to the team's efficiency by25%.**
- Worked on **CRUD Operations** to add **creation, deletion, updation and insertion** features in the project.

Movie Recommendation System

Python3,Kaggle,Vector,algorithm

- A system that uses the l2 vector normalization technique and also cosine similarity to recommend the movie
- Used various models and compared for the accurate analysis of data.

Student Grading System

HTML5,CSS3,JavaScript,MySQL

Designed and developed an efficient system that could provide grades /credits to the student to resolve the problem of standing in queue for long.

- Utilized **various online resources** to ensure proper working of the website with exact expected output.
- Worked with jupyter notebook and also implemented the concepts of automation for project efficiency.

CERTIFICATIONS

- Nptel-Joy of Computing
- Data Structure and Algorithm Certification

ACHIEVEMENTS

Techathon Feb'24

Kaggle Contributor June'24
